Re: Task Completion and Invoice Request – Task Order 679DP-13
City of Jacksonville WWTP Landfill at Sturgeon City
Jacksonville, Onslow County
ID# NONCD0000679

Dear Mr. Grant:

The Division of Waste Management, Superfund Section, Pre-Regulatory Landfill Unit has reviewed and approved Task Order 679DP-13 for the above referenced landfill, and considers it complete. Please submit to me an invoice for this task order not to exceed the approved amount of \$15,396.03.

Since Task Order 679DP-13 consists of tasks 679DP-13A, 679DP-13B, and 679DP-13G as described in the May 4, 2016, proposal, the invoice should consist of those items and be in the same format as the approved cost proposal. Perhaps a good way to resolve the difference between the May 4, 2016, proposal and the approved task would be to list tasks 679DP-13A, 679DP-13B, and 679DP-13G similar to subtasks. For example, they could be listed like this:

- Work Plan (task 679DP-13A on the May 4, 2016 proposal)
- Landfill Gas Probe Installation and Screening (task 679DP-13B on the May 4, 2016 proposal)
- Investigation Derived Waste (task 679DP-13G on the May 4, 2016 proposal)

Please contact me at 919-707-8331 or thomas.slusser@ncdenr.gov if you have any questions.

Best Regards,

Thomas Slusser, L.G.
Pre-Regulatory Landfill Unit
Division of Waste Management
