## **ACTION DATA**

Bill Hunneke & Bobby Nelms met with Mr. Elvneas to discuss the complaint. He explained that he and Mr. Edwards, a former employee, had parted ways unfavorably and that we were called out of retaliation. Mr. Elvneas showed us all of his property and we observed no evidence of spills or releases. The facility is a CESQG boat builder which builds only a couple of boats per year. Any waste typically associated with boat builders evaporates long before it has time to accumulate for disposal. No violations were observed.
