**Re: Yard Waste Notification – Site Closure  
Eco Mulch -YWN-36-006 – Gaston County**

Dear Mr. Farr,

The Division of Waste Management, Solid Waste Section, has not received a yard waste notification renewal form from you since July 26, 2011. This notification officially expired on May 31, 2012. Pursuant to 15A NCAC 13B .1402(g)(3), the owner or operator of any Type 1 Solid Waste (yard waste) facility which processes and stores less than 6,000 cubic yards of material quarterly shall submit this form to the Department by June 1<sup>st</sup> of each year. Our office has attempted to contact you by telephone on several occasions since last year; however we have not received any response. We have formally closed your files and removed your name from our active list of Yard Waste Facility Notifications as of August 16, 2016.

You are hereby advised that, pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Statute or Regulations. For the violation(s) noted here, you may be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

If at any time you wish to resume operation of a yard waste facility, you must contact our office for the proper forms. Should you have questions or if we may be of further assistance, please contact our office at 919-707-8285.

Sincerely,

Michelle Sclafani, Environmental Technician  
Division of Waste Management, NCDEQ
