Permit No. 3617-MWP-2016, Daniels Sharpsmart, Inc.
Gaston County, DIN 26703

Dear Mr. Little:

Enclosed you will find a copy of Permit No. 3617-MWP-2016, dated August 30, 2016, DIN 26696. This permit action is the original issuance of the Permit to Construct and Permit to Operate, for Daniels Sharpsmart, Inc., Medical Waste Treatment Facility. Make note of the following items;

- Since this is an original permit issuance, the permit requires recordation. Enclosed is a certified original of your permit. It is important that the certified original permit be recorded by the Register of Deeds in Gaston County. It should be indexed in the grantor index under the name of the land owner. The certified original should be affixed with the Register's seal, date, book number and page number of recording. A certified original of the permit with the Register's information affixed should then be returned to me at the address at the bottom of this page. The purpose of this recordation to notify future buyers that a solid waste management facility existed on the property, in accordance with North Carolina General Statutes.
- Attachment 2, Part VI, Condition 3 requires a site visit by Solid Waste Section staff prior to commencement of operations, contact me at your earliest convenience to arrange this visit.
- Read your permit carefully and should you have any questions contact me immediately.
- All of the documents related to this permit may be downloaded at <http://edocs.deq.nc.gov/WasteManagement/Search.aspx?cr=1> .
- Copies of this permit, the approved plans, and all records, are required to be maintained by the permittee at the facility and made available to the Section upon request during normal business hours.

Should you have any questions regarding this matter you may contact me at (828) 296-4704 or at larry.frost@ncdenr.gov.
