Eric:

We appreciate you letting us know about the change. Our records indicate Keith Clark as the highest ranking official of the remediating party having day-to-day responsibility for the performance of the remedial response action. Please provide an update regarding any changes with the remediating party (i.e., contact person, mailing address, telephone number, email address, etc.) so we can update our data base/records.

Thanks,  
Kim

Re: Wix Filtration Corp. LLC – Dixon Plant. Gastonia, Gaston County  
Site ID No. NONCD0002925

Dear Ms. Thomas:

I am writing in regards to the Administrative Agreement for the Wix Filtration Corp LLC Dixon Plant (Docket Number 15-SF-394), which was executed effective June 9, 2015. Please note that the Wix Filtration Corp LLC parent entity, Affinia Group Inc., has been acquired by MANN+HUMMEL Inc. As a result of this acquisition, Wix Filtration Corp LLC was re-named MANN+HUMMEL Filtration Technology US LLC. Going forward, please consider MANN+HUMMEL Filtration Technology US LLC as the Remediating Party for the Dixon Plant site. WSP will continue to serve as the Registered Environmental Consultant.

Please let us know if you have any questions in this regard.

Sincerely,

Robert E. Johnson, L.G.  
Senior Technical Manager
