Subject: RE: Henderson LFG Remediation Plan (DIN 26718)

The Solid Waste Section has completed a review of the email dated September 9, 2016 and submitted on behalf of Henderson County by Golder Associates for the Henderson County Landfill, Solid Waste Permit Number 4501. The email was submitted in response to confirmed methane exceedances within MP-4 and the plan that was submitted on September 2, 2016. The County is requesting an extension to submit a revised Landfill Gas Remediation Plan by Thursday, September 15, 2016. As a result, the request is approved as described. If you have any questions, please feel free to contact me.

Sincerely,
Jackie Drummond

Subject: Henderson LFG Remediation Plan

Jackie,

As we discussed yesterday, I would like to ask for an extension to submit the revised landfill gas remediation plan for the Henderson County Landfill. I propose to submit the plan by Thursday, September 15, 2016. Thank you for your consideration.

Dusty
