Dear Mr. Kwiatkowski:

Terracon Consultants, Inc. (Terracon), is pleased to submit this work plan and cost estimate to conduct an initial site visit for the above referenced site. As requested by the North Carolina Department of Environmental Quality (NCDEQ), Division of Waste Management (DWM) Inactive Hazardous Sites Branch (IHSB) Pre-Regulatory Landfill (PRLF) Unit project manager (Unit PM), the following sections describe the requested scope of work under task order 8913DP-17 in accordance with your request for proposal dated August 23, 2016. The cost estimate to complete this task order is summarized on the attached costing table.

Subtask a) Site Visit

The site visit is budgeted to be attended by one (1) Project and one (1) Staff level Terracon employee from our Raleigh office. Terracon will meet with the Unit PM on-site to view current site conditions and photograph the site.

Authorization

If this work plan and cost estimate is acceptable, Terracon understands that the Unit PM will issue a task order in accordance with our contract N15004i dated April 18, 2016.

Terracon’s services will be performed in a manner consistent with generally accepted practices of the professional undertaken in similar studies in the same geographic area during the same period. Terracon makes no warranties, expressed or implied, regarding its services, findings, conclusions or recommendations. Please note that Terracon does not warrant the work of laboratories, regulatory agencies or other third parties supplying information used in the preparation of reports. These services will be performed in accordance with the scope of work agreed with you as set forth in this proposal and our contract.
