Jordan:

I'm looking forward to working with you on another project. Our apologies for the delay in submitting payment for the invoice. PD thought that it had already submitted payment, but it slipped through the cracks. Thanks for following up on it. PD is putting a check in the mail right away.

Please contact me with any questions.

Regards,
Chris

Good Afternoon Mr. Ligon,

I am the new Project Manager for the 300 N. College site that was issued a Letter of Eligibility on October 19, 2015. Our records indicate that the initial Brownfields Application fee in the amount of \$2,000 that was invoiced to you on October 19, 2015 (attached) has not been paid. Before I begin my review of the assessments that were provided with the Brownfields Application to determine if further assessment is warranted, we will need to receive this payment. Please submit payment to the program address on the attached invoice. Once we receive payment, I can begin to look at these documents in detail and determine what our course of action is. Also attached is the BFA Flowchart that provides a more detailed description of the process that we will be undertaking.

I look forward to working with you on this project and please feel free to call or email me with any questions.

Ms. Jordan Thompson
