Re: Permit to Operate: Danny Dumpster, Inc. Large Type III Compost Facility,  
Buncombe County, North Carolina, Permit No. 1118-COMPOST-2016

Dear Mr. Keaton:

Please find enclosed the Permit to Operate for Danny Dumpster Large Type III Compost Facility, Permit No. 1118-COMPOST-2016. This permit issuance approves the 5-year permit renewal.

In general, the new facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans, such as site specific operations.

Please review the conditions of the permit carefully.

The stamped approved permit renewal application can be viewed and downloaded from our website:

<https://edm.nc.gov/DENR-Portal/>

Type in "1118-COMPOST-2016" into the ID value box, and click on Search. The stamped approved application is Doc ID 26617. To view a document double click anywhere on the line of the document.

If you have any questions regarding the permit or conditions, please contact me at (919) 707-8280 or by email at [tony.gallagher@ncdenr.gov](mailto:tony.gallagher@ncdenr.gov). The Solid Waste Management Specialist for the facility is Kris Riddle. He can be reached at (828) 296-4705.
