Subject: **City of Albemarle Landfill  
Proposed Alternate Source Demonstration Report  
DSWM Permit No. 84-01  
Shield Project 1110192**

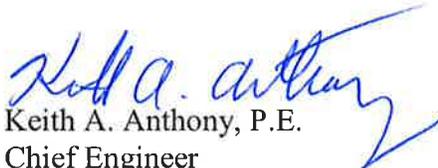

Dear Mr. Lane:

The City of Albemarle received a letter dated August 8, 2016 from the Solid Waste Section requesting an Alternative Source Demonstration (ASD) Report for the inorganics that have been identified during previous sampling events at this Site. The 90-day request for this ASD Report means that it is due for submittal to the SWS on November 4, 2016.

Shield Engineering, Inc (Shield) has begun the work required for this report but due to work schedules, including regular monitoring, we respectfully request an extension to this deadline. We request approval for the deadline to be moved to November 23, 2016. We appreciate your consideration of this request. If you should have any questions please do not hesitate to contact David Wallace either by e-mail at [dwallace@shieldengineering.com](mailto:dwallace@shieldengineering.com) or by phone at 704-394-6913.

Sincerely,  
**SHIELD ENGINEERING, INC.**

  
J. David Wallace, P.E.  
Senior Engineer

  
Keith A. Anthony, P.E.  
Chief Engineer

cc: Ms. Nina Underwood, Public Works Director
