Dear Ms. Drummond,

On behalf of Wayne County, Municipal Engineering Services Company, P.A. (MESCO) intends to submit an Alternative Source Demonstration (ASD) in fulfillment of the request outlined in a letter issued by the NC Solid Waste Section (SWS) dated August 8, 2016 (DIN:26544). The ASD will address metals detected in groundwater samples collected at the Wayne County Subtitle D Lined Municipal Solid Waste Landfill MSWLF. We request a 60 day extension of the deadline (January 5, 2016) so that we may have time to determine if the lines of evidence we plan to present is acceptable to the SWS and in doing so expedite the process. Please respond in writing so we can plan accordingly. If you have any questions or need any additional details please contact us at (919) 772-5393 or by email at jpfohl@mesco.com or sgandy@mesco.com.
