Re: **Extension Request for Alternative Source Demonstration-Metals**
Ashe County Subtitle D Lined MSWLF
Permit No. 50-01
MESCO Project No. G16005.0

Dear Mr. Lane,

On behalf of Ashe County, Municipal Engineering Services Company, P.A. (MESCO) intends to submit an Alternative Source Demonstration (ASD) in fulfillment of the request outlined in a letter issued by the NC Solid Waste Section (SWS) dated August 8, 2016 (DIN:26544). The ASD will address metals detected in groundwater samples collected at the Ashe County Subtitle D Lined Municipal Solid Waste Landfill MSWLF. We request an extension of the deadline beyond 90 days (November 6, 2016) so that we may have time to determine if the lines of evidence we plan to present is acceptable to the SWS and in doing so expedite the process. Please respond in writing so we can plan accordingly. If you have any questions or need any additional details please contact us at (919) 772-5393 or by email at jpfohl@mesco.com or sgandy@mesco.com.

Sincerely,
MUNICIPAL ENGINEERING SERVICES CO., P.A.

Jonathan Pfohl
Senior Environmental Specialist
