RE: PROVISIONAL EPA ID: # NCP102215125
NC DOT DIV 6 BLADEN CO BR 17

Dear Facility Contact:

The above Provisional EPA ID Number has been assigned to your facility as a handler of hazardous waste. This number is to be used for the hazardous waste activity as described on the application. Specifically, please note that the Provisional EPA ID Number is for the shipment of hazardous waste from none other than the facility and site identified on the application. This number is effective for a period of ninety (90) days only.

All handlers of hazardous waste are required to pay an annual fee. N.C.G. S. 130A-294.1 (f) requires that a person who generates greater than 1,000 kilograms (2,200 lbs.) of hazardous waste in any calendar month during the year shall pay an annual fee of one thousand four hundred dollars(\$1,400.00). Effective July 1, 2010, Hazardous Waste fees increased pursuant to the North Carolina General Statute 130-294.1. The new hazardous waste fees may be found on page two of the attached Invoice. N.C.G.S. 25-3-506 states that a processing fee of \$25.00 will be charged for a returned check.

If you have any questions, please contact Melodi Deaver at (919) 707-8204.

Sincerely,

Patricia Davalos
