Reference: Quarterly Status Report
Trion, Inc., Sanford, NC
NONCD 0002843
H&H Project No. BAI.002

Dear Mr. Aufman:

Hart & Hickman is pleased to provide this quarterly status report for the above-referenced site.

Due to contractual/payment issues between the RP and REC, work on the project was suspended during the 3rd and 4th quarters of 2012. Last quarter it was believed that these issues had been resolved, but unfortunately they extended through the 1st quarter of 2013. These issues are very close to being resolved and it is anticipated the Remedial Investigation report will be finalized and submitted during the second quarter of 2013.

The required certification statements are attached for incorporation into the file. If you have any questions or concerns, please contact me at (919) 847-4241.

Sincerely,

Hart & Hickman, PC

Leonard C. Moretz
