Attachments: Eaton-Selma RAP Notice Attachment 6.13.doc; Eaton Selma RECPubNotMailList 6 13.doc

A proposed Remedial Action Plan (RAP) for the above referenced site has been received. Pursuant to 15A NCAC 13C .0306(j) of the Registered Environmental Consultant (REC) Rules, the REC must provide public notice of the proposed RAP before it can be approved by the Registered Site Manager (RSM). I have attached the text for the public notice and a list of recipients. Please enter the date, corresponding to 35 days after the mailing date for the notice, in the blank in order to designate the conclusion of the public notice period. A copy of the notice must be sent by certified mail to each of the recipients that are listed as well as any additional parties that have expressed an interest in the site to the REC and/or remediator. You may send a copy to **Kim Caulk** electronically. Please e-mail electronic copies of the certified mail receipt cards (green cards) to document that all interested parties have been notified.

After the public notice period has ended, Kim will e-mail you any written comments that the Branch received for your review and response. You will also need to address any verbal comments that you received from the public regarding the proposed RAP. After all public comments are satisfactorily addressed, Kim will notify you that the RAP may be approved and the "Proposed Remedial Action Plan Completion Certification" form (Form WPC-III downloaded from the REC website) may be completed and sent to the Branch.

Please reply-all to this e-mail so that we know you received these instructions. If you have any questions, please contact Kim Caulk.

Thanks,

Janet

NOTICE OF REMEDIAL ACTION PLAN

Eaton Corporation
Selma, Johnston County, North Carolina
Site ID No. NONCD0002853

In accordance with N.C.G.S. 130A-310.9(b) - 310.9(c), Solutions-IES is soliciting public comment on a *Proposed Remedial Action Plan* for cleanup of contaminated media at the Eaton Corporation site (Site) in Selma, Johnston County, North Carolina. Solutions-IES is a State-approved Registered Environmental Consultant (REC) for the Site. The *Proposed Remedial Action Plan* has been prepared in accordance with the REC program rules (15A NCAC 13C .0300), and contains a description of the proposed remedial alternative that representatives of the REC intend to implement to address environmental contamination (e.g., contaminated soil, groundwater, surface water, etc.) at the Site. Other remedial alternatives that were considered are also discussed in the *Proposed Remedial Action Plan*. The Division of Waste Management (DWM) is authorized to implement the Inactive Hazardous Site Response Act, and the REC Program is an approved, privatized program under that authority. The remediator has entered into an Administrative Agreement with the DWM to implement a remedial action under the REC Program.

To review the *Proposed Remedial Action Plan*, contact:

Mr. Scott Ross
NC Division of Waste Management
217 West Jones Street
Raleigh, North Carolina 27603
(919) 707-8272
Scott.Ross@NCDENR.gov

All *verbal* questions on the *Proposed Remedial Action Plan* should be directed to the REC's Registered Site Manager, Mr. Tony Lieberman of Solutions-IES, at (919) 873-1060.

All *written* comments on the *Proposed Remedial Action Plan* should be directed to:

Mr. Kim Caulk
REC Program
Inactive Hazardous Sites Branch
Superfund Section
NC Division of Waste Management
217 West Jones Street
Raleigh, North Carolina 27603
Kim.Caulk@NCDENR.gov

This Notice has been prepared for parties that may be interested in the cleanup activities at the Site. ALL COMMENTS ON THE *PROPOSED REMEDIAL ACTION PLAN* MUST BE SUBMITTED IN WRITING AND POSTMARKED NO LATER THAN _____.

(35 days from REC's mailing date of Notice)
