Dear Mr. Gibson:

Based on the recent phone conversation between yourself and Tony Gallagher, we understand that you have withdrawn the application for the proposed Type 4 compost facility at the above referenced location.

We are currently reviewing your application for a Type 3 compost demonstration application for this site with highest priority.

If you have any questions, please contact Tony Gallagher at 919-707-8280, or by email tony.gallagher@ncdenr.gov.

Sincerely,
