Re: Frances Gann Residence – Sampling Trip Summary
NONCD0002879

- Larry Rose and I arrived at Mrs. Gann property at 11:30 am. We had prior permission to sample from her son Perry Gann. After sampling Mrs. Gann's well we went to Guaranteed System, Inc (GSI).
- GSI had two wells on the property serving three buildings. We spoke with Mrs. White, the owner of the property and grabbed a sample from the office bathroom sink. This water is from the well that also serves the older house with siding. We then sampled the well that serves the newer brick house on the property which is the residence of Mr. & Mrs. White.
- These were the only people to respond to our request to sample the area.
