## SANITARY LANDFILL ANNUAL REPORT

FOR THE PERIOD OF JULY 1, 1991 -JUNE 30, 1992

Solid waste disposal facilities are a vital part of the North Carolina infrastructure to manage solid waste. This report gathers information about solid waste facilities in the state.

Separate surveys will be sent to all counties and cities to gather information about other components of solid waste management programs in North Carolina.

Thank you for your assistance in completing this report. The information gathered as a part of this process will be of value to local governments and the state in assessing waste management programs and future solid waste planning.

If you have any questions or concerns regarding this report please contact the Solid Waste Section at 919-733-0692 or a waste management specialist. Completed forms should be returned to the waste management specialist for your area. Refer to the attached map for names and addresses. A copy of this report must be sent to the county manager of each county served by this facility.

Facility Name FMC Corporation Landfill Permit Number 36-05  
 Address P. O. Box 795, Bessemer City, NC 28016  
 Location Highway 161, Bessemer City, NC  
 Facility Owner FMC Corporation, Lithium Division  
 Facility Operator FMC Corporation, Lithium Division  
 Facility Contact Person A. S. Gillespie

Name: \_\_\_\_\_

Certification type and expiration date: \_\_\_\_\_

5. Have you begun the siting process for your county's next landfill?

- Yes If yes, please describe: \_\_\_\_\_
- No

#### Other Comments

We would appreciate your comments about this report or other matters regarding solid waste management in North Carolina. Thank you for your time. (Attach additional sheets if needed.)

NOTE: Of the 184,462 tons landfilled, 179,341 tons were mineral ore residues. This is 97.2 percent of the total. We contend that these mineral ore residues should not be included in this listing.

This report must be sent to the waste management specialist for your area.
