SOLID WASTE INCINERATION FACILITY ANNUAL REPORT

FOR THE PERIOD OF JULY 1, 1991 -JUNE 30, 1992

Solid waste disposal facilities are a vital part of the North Carolina infrastructure to manage solid waste. This report gathers information about solid waste facilities in the state.

Separate surveys will be sent to all counties and cities to gather information about other components of solid waste management programs in North Carolina.

Thank you for your assistance in completing this report. The information gathered as a part of this process will be of value to local governments and the state in assessing waste management programs and future solid waste planning.

If you have any questions or concerns regarding this report please contact the Solid Waste Section at 919-733-0692 or a waste management specialist. Completed forms should be returned to the waste management specialist for your area. Refer to the attached map for names and addresses. A copy of this report must be sent to the county manager of each county served by this facility.

Facility Name Northeast Waste-to-Energy Facility (University City Resource Recovery F) Permit Number 60-10-I
