Dear Mr. Watson:

Enclosed, you will find a revised copy of your previously submitted Sanitary Landfill Annual Report for the period July 1, 1991 through June 30, 1992. We are required to collect landfill totals by county therefore, it is necessary to separate the Concord, (Cabarrus County) monthly report totals from the Mecklenburg and Matthews (Mecklenburg County) totals. Your annual totals as originally reported are correct as submitted.

We appreciate your cooperation in completing your Annual Report and returning it to us within the due date. If you have any further questions please contact me at 919-733-0692.

Sincerely,
Brad Rutledge
