Attn: Mr. Billy Morris

Dear Mr. Morris:

Enclosed is the Sanitary Landfill Annual Report for the period of July 1, 1991 to June 30, 1992. This report is for the Weyerhaeuser Company New Bern facility. It should be noted that all tonnages are estimated based on 300 pounds per cubic yard of waste.

Should you have any questions or comments concerning these data, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "David F. Gardner".
