Dear Mark:

Enclosed are Annual Solid Waste Reports for Durham City and Durham County covering activities during fiscal year 1991-92. Also enclosed is a transmittal letter copy from Nancy Clayton, Solid Waste Process Engineer, City of Durham. This letter indicates the specific attachments submitted by the City as well as their timely response to your request for the annual report.

Thank you for meeting with us in February of this year and for assisting with Durham County's solid waste management planning activities. Mike Turner, General Services Director, Lowell Siler, Deputy County Attorney, or Bill Renfrow, Special Projects Manager, are available to address solid waste concerns. Please call if questions arise or if there is a need to discuss specifics.

Sincerely,
