John,

The letter you received from me is an audit letter pertaining to ECS's work as the REC. As an approved REC, I still require a response from you to explain the issues that were noted.

Thank you,

Janet

Janet,

Sorry this did not get to go earlier. I obviously typed in the incorrect email address. Please look this over and let me know how to proceed at this point.

Janet,

On May 24, 2013, Mr. Stephen Pike notified the REC program of his desire to withdraw from the REC program (see below). On June 13, 2013, you requested an update to the status of the site. In your letter, you requested the response be certified in accordance with .0306(b). Does Mr. Pike's request for withdrawal need to be certified? If the site is no longer "included in the program", do you still need a response to your May 24, 2013 letter?

Thanks,
