Dear Mr. Carmon:

This letter is to inform you that the scheduled date for our Remedial Investigation to the closed landfill is in the week of **Monday, September 14, 2015**. The visiting will involve our contractor, *Schnabel Engineering Inc*, that has been hired by the State. You do not have to be present when we are conducting the survey. However, we will need your assistance to have an access to the site. Thank you in advance for your assistance.

If you have any question, please contact me at (919) 707-8347 or email me at:  
zi-qiang.chen@ncdenr.gov. Thanks.

Sincerely,

ZiQiang Chen, PhD, Environmental Engineer II  
NCDENR Division of Waste Management
