RE: Water Supply Well Sampling Results
314 Bubba Gump Rd. Salemberg, NC 28385
Salemberg Dump
NONCD0000557
Salemberg, Sampson County

Dear Mr. Najera:

On January 4, 2016 I mailed a request letter to you for permission to sample your well located at 314 Bubba Gump Rd. in Salemberg. I received your property access permission form on February 24, 2016 and the site visit was scheduled for April 14, 2016.

Unfortunately, on the date of the site visit, the Division's contractors URS were unable to collect a water sample. Field notes indicate that the spigot went dry before a viable sample could be collected. Therefore, the Division was unable to analyze your well water as requested.

If you have any questions, please contact me at (919) 707- 8155 or Cheryl Marks at (919) 707-8333.

Sincerely,

Katie Tatum, Environmental Specialist
Inactive Hazardous Sites Branch
Division of Waste Management, NCDEQ
