Mike:

Thanks for the update. We will be glad to return the REC fee. To issue a refund, the Division needs the federal tax ID for the company. I see that the contact person and address for the company is provided below.

If there are any questions, please contact me.

Kim, thanks for your email and follow-up regarding Surtronics' application to join the REC program. Through the first portion of 2014, Surtronics continued to deal with on-going bankruptcy court proceedings. It was initially anticipated that their bankruptcy situation would have been resolved by now. They still anticipate drafting an AA to enter the REC program in the future, but are not in a position to do so at the moment. Surtronics would be appreciative if NCDENR would be willing to return the check to the attention of Mr. Lee Bradshaw, Surtronics, 4001 Beryl Road, Raleigh, NC 27606. Thanks. Mike

According to my records, the 1/3/14 e-mail below is the last correspondence that I have regarding a draft REC-Administrative Agreement (AA) for the above Site. As you are aware, last Fall we received a fee payment for a REC-AA that was never drafted nor executed since further evaluation was necessary to determine REC Program eligibility. Please let me know your intentions regarding the AA by March 21, 2014. If you have any questions about the REC Program, feel free to contact me.

Regards,

Kim
