P. O. Box 938
Hickory, North Carolina 28601

Dear Mr. Honeycutt:

I am enclosing a copy of the inspection report of the turkey production unit on Route #1, Granite Falls, North Carolina. As stated in the report, the problem results primarily from the incompatibility of land use.

If the Division of Health Services or this Office may be of further assistance, please contact us.

Sincerely,

RUFUS L. EDMISTEN
Attorney General

Robert R. Reilly
Assistant Attorney General

Dear Sir:

The management of residual industrial wastes which may be hazardous, potentially hazardous, or hard to handle, such as sludges, semi-solids, liquids, etc., has become a major problem in North Carolina.

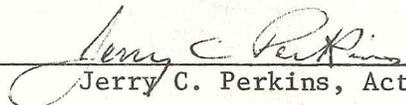

Your assistance is needed to provide the Solid Waste & Vector Control Branch, Division of Health Services, with information on the present status of the management, volume, and composition of these type wastes in North Carolina. This information is needed to develop an orderly and reasonable implementation schedule for Public Law 94-580. The 94th Congress enacted Public Law 94-580 on October 21, 1976. Subtitle C of this Public Law is related to the management of hazardous wastes.

In cooperation with the Environmental Protection Agency, this agency is making a statistical survey of industries in North Carolina to obtain the necessary data for program planning and management of these wastes. A copy of the data collection form is enclosed. It is requested that someone familiar with industrial wastes generated by your facility review the form. The Solid Waste & Vector Control Branch representative that serves your area will contact your company by telephone in the near future to schedule an appointment with your representative so that the data forms may be completed.

If there are questions with reference to this survey, your calls or correspondence should be addressed to:

O. W. Strickland, Program Supervisor
Solid Waste & Vector Control Branch
Division of Health Services
P. O. Box 2091
Raleigh, North Carolina 27602
Telephone: (919) 733-2178

Your cooperation is appreciated.

Jerry C. Perkins, Acting Head

Mr. L. Norman Shronce
County Manager
Caldwell County
Caldwell County Courthouse
Lenoir, NC 28645

LN
Dear Mr. Shronce:

I was in Caldwell County on Tuesday, March 17, 1976, to acquaint Mr. William L. Meyer, District Sanitarian who has replaced Mr. J. N. Fulp, Sr., with the Caldwell County solid waste program.

Mr. Roger L. Hennessee from the local health department visited the new landfill with us. As it was raining at the time of our visit, we did not get on the working face of the landfill but I was impressed with your entrance, access road, and building.

The old Lenoir landfill that the county has been using for the last few years was also visited. There are major problems at this site that need attention. Your attention is directed to the "Solid Waste Management Rules", .0116 (4) (20) (21), a copy of which is attached.

By copy of this letter I am asking Mr. Meyer to visit you at your earliest convenience to advise on a close-out procedure.

Thank you in advance for your cooperation. I look forward to visiting your new landfill when the weather is good.

Sincerely,

O. W. Strickland, Supervisor
Solid Waste Management Unit
Solid Waste & Vector Control Branch

Re: Pollution Help Line Report 1797

Dear Mrs. Koontz:

I am sending a copy of the above report to Mr. J. N. Fulp, Sr., District Sanitarian, requesting that he visit the area and investigate the conditions described. He will contact you at the time of his visit and discuss his recommendations.

Very truly yours,

Sidney H. Usry, Head
Solid Waste & Vector Control Branch
Sanitary Engineering Section

POINT OF POLLUTION: _____

SANITARY ENGINEERING SECTION

SOURCE OF POLLUTION: _____

NATURE OF CALL: Mrs. Koontz stated that persons are dumping garbage in a little creek on Old Branch Road just in back of Clarks Chapel Church. Old Branch Road is off of Clarks Chapel Road in Caldwell County, just outside of Lenoir. She stated she called the County Health Department and they advised her to come down and pick up "No Dumping" signs and post them. Please advise Mrs. Koontz of our investigation.

REPORT REFERRED TO: Mr. Marshall Staton, Division of Health Services
Department of Human Resources

SIGNED Jackie Wall by V.S.

October 13, 1972

Mr. Max Johnson, Director
Eastern Appalachia Health Council
Morganton, North Carolina 28655

Dear Mr. Johnson:

By review of the records concerning solid waste disposal sites, we find that proposed operational plans for a disposal site in Caldwell County has not been submitted as required by the North Carolina State Board of Health "Rules and Regulations Providing Standards for Solid Waste Disposal." It is requested that this office be advised as to when plans for the present site in use and/or plans for a new site proposed can be expected for review. *JAR*

If this office can be of assistance in this matter, do not hesitate to call.

Sincerely yours,

Jerry C. Perkins, Deputy Chief
Solid Waste & Vector Control Section
Sanitary Engineering Division
