TIRE COLLECTION SITE ANNUAL REPORT

FOR THE PERIOD OF JULY 1, 1992 - JUNE 30, 1993

Solid waste facilities are a vital part of the North Carolina infrastructure to manage solid waste. This report gathers information about solid waste facilities in the state.

Separate surveys have been sent to all counties and cities to gather information about other components of solid waste management programs in North Carolina.

Thank you for your assistance in completing this report. The information gathered as a part of this process should be of value to local governments and the state in assessing waste management programs and needs in planning for the future.

If you have any questions or concerns regarding this report please contact the Solid Waste Section at (919) 733-0692 or a waste management specialist. Completed forms should be returned to the waste management specialist for your area. Refer to the attached map for names and addresses. A copy of this report should be sent to the county manager of each county served by this facility.

Facility Name Central Carolina Tire Disposal Permit Number 43-04-TP MF
 Address Route 2 Box 59 B Cameron, North Carolina 28326
 Location McKoytown Rd. Harnett County
 Facility Owner Billy S. Thomas
 Facility Operator Thomas A. Womble
 Facility Contact Person Thomas A. Womble
 Phone Number of Contact Person (919) 499-2301 Fax (919) 499-4619
 Date Facility Began Receiving Waste March 16, 1992 - PERMIT ISSUED FOR MONOFILL
 Date Facility Expected to Close _____ MF
 County(s) Served by this Facility See Attached List
 Tipping Fee \$ _____ /Ton _____ (Please attach a schedule of tip fees if appropriate)

1. Total number of tires received at this facility during the period of July 1, 1992, thru June 30, 1993. Indicate tonnage or number of tires received from each county served by this facility. Attach additional pages as needed. Enter total out-of-state tires received by state of origin.
