AECOM Project No. 60302815

Dear Mr. Aufman:

AECOM is pleased to submit this quarterly letter status report, due by October 15, 2015, to summarize work performed this past quarter at the above-referenced site. In summary, the work completed this past quarter includes (1) measure water levels in all on-site and off-site groundwater monitoring wells and measure field parameters in wells for which VOCs were sampled in September 2015; (2) collect VOC samples in September 2015 and send to laboratory for analysis; (3) collect additional natural attenuation parameter samples in September 2015 and send to laboratory for analysis; and (4) continue work on the RI Report. This quarterly status report confirms that work is progressing in a manner to achieve the mandatory work phase completion deadlines set out in 15A NCAC 13C .0302(h).

Attached to this document is the RP Document Certification Statement for this status report. If you have any questions regarding this quarterly letter status report, please feel free to contact me by phone at 864-234-3560 or by email at dave.oliphant@aecom.com.
