Re: Administrative Modification Permit to Operate  
Coble's C&D Landfill  
Alamance County, North Carolina  
Permit No. 01-05 Doc ID No. 15945

Dear Mr. and Ms. Coble:

Enclosed is the above referenced Permit to Operate Administratively Modified Permit to Operate [DIN15921]. The modifications consist of the following: [i] address correction page 1; [ii] elimination of Attachment 3, Condition 21 referring to leachate collection; and [iii] restoration of Part V conditions relating to material recovery.

The Permit to Operate for will expire January 30, 2014, consistent with the previously issued Permit to Operate. Any additional permit issued before will require payment of a modification fee. The amount of the modification fee will be based on the annual tonnage disposed at the time of the application.

Thank you for your cooperation in this process. If you have questions about the permit conditions or have questions regarding operation of the facility, please contact either me at 919.707.8252 or John Patrone, Environmental Senior Specialist for the facility, at 336.771.5095.

Sincerely,

Geoffrey H. Little  
Environmental Engineer
