RE: **Coble's Sandrock Phase 1 & 2 Partial Closure**
Coble's Construction and Demolition Landfill Permit No. 01-05
JEI PROJECT NO. 419.1000 Task 12

Dear Mr. Little,

The Coble's Sandrock, Inc. is planning to close partially the Phase 1 and 2 west side slopes up to four acres in area. The partial closure includes the NW corner of Phase 2 and the west facing slope of Phase 1. The areas will be closed in accordance with approved closure plans Phase 1 dated September 30, 1998 and Phase 2 June 10, 2002. Joyce Engineering, Inc. on behalf of the Coble's submits this Letter of Notice for the planned closure activities in accordance with the approved Closure Plans, and the Solid Waste Management Rules .0543 (c)(5) of the 15A NCAC 13B .

The schedule for the closure activities is planned for the late summer and fall of 2010. The estimated start time for of construction is first week of August 2010. The closure construction activities are expected to continue during the fall with the Owner acting as the Contractor. Final record documents will be provided by a surveyor at the end of the earth construction and grading. Joyce Engineering plans to submit the closure construction CQA report to the DWM by late November 2010.

If you have any questions concerning this Letter of Notice for Partial Closure, please call at your convenience direct line 336-790-2252 or email hannu@joyceengineering.com.

Sincerely,
JOYCE ENGINEERING, INC.
