Subject: Closure of Ridgecrest Conference Center LCID Landfill, Permit 56A

Closure of Site
Ridgecrest Conference Center LCID Landfill
Permit 56-A
Doc ID 11711

As of October 15, 2010, by the close of business, the Solid Waste Section (SWS) did not receive required information for proper closure of the facility. In its letter dated May 7, 2010, (Doc ID 10545), the SWS listed requirements and procedures to formally begin the closure process. In its letter, dated August 18, 2010 (Doc ID 11376), the SWS repeated its request for the information and set September 1, 2010 as the deadline for submission. By email on September 2, 2010 (Doc ID 11513), September 7, 2010 (Doc 11533), and October 1 (Doc ID 11707), the SWS notified the Ridgecrest Conference Center that it (SWS) did not receive the required information. By letter and email, the SWS informed the Ridgecrest Conference Center that failure to submit required information may result in enforcement action.

The facility remains neither permitted or properly closed. As I communicated to you in our conversation on September 3, 2010, I discussed with Mark Poindexter, Ed Mussler, and Deborah Aja issues concerning the Ridgecrest Conference Center's failure to submit information the Solid Waste Section (SWS) required to begin the closure process for the facility.
