From: JOE GALLO
Subject: Town of Calypso LCID Facility Permit # 31-A
Date: September 14, 1998

Dear Jim,

As we discussed earlier this year, this facility has been cleaned up and waste previously exposed from the old landfill has been covered. The town of Calypso cannot afford no have the resources to operate a Permitted Landfill in accordance with the operating rules.

This site has been covered and closed in accordance with regulations, it is requested that this site be officially closed as a Land Clearing Inert Debris / Demolition Landfill.
