Dear Ms. Walata:

The North Carolina Solid Waste Section has received your letter requesting permit closure of the above referenced facility. An inspection was made of the facility on September 27, 2011 that confirmed that the incinerator was no longer operating and that all wastes had been removed from onsite.

Permit No. 32-09I has been closed and revoked.

If you have any questions, please contact Donna Wilson at (919) 707-8255 or by email at donna.wilson@ncdenr.gov.

Sincerely,

Edward Mussler
