Re: Acknowledgement of Closure
APCO Land Clearing and Inert Debris Landfill
Edgecombe County, Permit No. 33E, Document ID No. 14000

Dear Mr. Proctor:

This letter acknowledges that the referenced facility has been closed in accordance with the conditions of 15A NCAC 13B, Rules .0510 and .0566, based on the documentation you submitted on October 27, 2010 (DIN 13998), and the Letter of Closure recorded with the Edgecombe County Register of Deeds on November 3, 2010 (DIN 13999).

When a solid waste disposal site has been closed in accordance with these conditions, the permit is terminated and any future disposal at the site will require a new permit. Any activities not approved by the Solid Waste Section or not associated with maintenance or monitoring of the closed site may be viewed as operation, therefore violating North Carolina Solid Waste Management Rules.

If you have any questions, please contact me at pat.backus@ncdenr.gov or (919) 508-8520.

Sincerely,

Patricia Backus, P.E.
Environmental Engineer
