Dear Mr. Shamel:

Please be advised that an inspection of the property at 4345 Briggs Road, referenced as Tax Lot(s) 21F, Block 4744, zoned AG, indicates that a violation of the Unified Development Ordinance exists, specifically Chapter A, Article 2, and Chapter B, Sections 2-5.37, 5-4.4, and 9-1, Table 2.6 in that:

Use conditions for required improvements to existing Land Clearing and Inert Debris landfills not met.

Failure to correct said violations(s) within ten (10) days of receipt of this notice will result in you being assessed a civil penalty of one hundred dollars (S100.00) for each day the violation continues after the tenth (10th) day. In addition, the county may also seek injunctive relief to remedy this violation.

In addition to assessment of a civil penalty, Section 9-1 of the Unified Development Ordinance provides that a violation of the Zoning Ordinance constitutes a misdemeanor punishable upon conviction of a fine not to exceed $500.00 or imprisonment up to thirty (30) days. You may avoid all such penalties by bringing the described property into compliance within ten (10) days of receiving this Notice.

If you have any questions about bringing the property into compliance, please call Richard Vinson, Zoning Inspector, at 748-3096.

As soon as you have brought the property into compliance with the Unified Development Ordinance, you should call our office so that a prompt inspection can be made and further penalties, if any, can be stopped.

Very truly yours,

Richard Vinson

Dear Mr. Shamel:

Please find attached a copy of the latest inspection of your landfill. On this visit the site was in compliance with the State Solid Waste Management Rules.

Also, please find enclosed a letter from Dexter Mathews regarding landclearing and inert debris landfills. These rules went into effect January 4, 1993 and affect the status of your demolition landfill permit. I suggest that you read his letter carefully and if you have any questions please contact me.
