Re: City of Winston-Salem Old Salisbury Road C&D Landfill
OSR Phases I, II and III, Revised Cap
Forsyth County, North Carolina
Permit No. 34-12
Doc ID No.7042

Dear Ms. McHargue:

The above referenced cap revision is approved as per the submittal from your Consultant, HDR Engineering, Inc. of the Carolinas, dated February 20, 2009 (DIN7043). The closure certification report submitted by HDR Engineering, Inc. of the Carolinas for this existing area was submitted on November 5, 2008 was reviewed but is now void. The new enhanced cap will be an increased thickness of soil from Phase VI. When this project is completed another certification submittal will be required.

If you have any questions or comments, please contact me at (704) 235-2163, or by email at john.murray@ncmail.net.

Sincerely,

John E. Murray, P.E.
Regional Engineer
Solid Waste Section
