Subject: Draft Corrective Action Plan
Halifax County C & D Landfill, Area 1
Permit 42-04
Doc ID 7668

Dear Mr. Ralph:

The Solid Waste Section (SWS) approves the draft Corrective Action Plan (CAP) received May 29, 2009 for the Halifax County Landfill, Area 1. Richardson Smith Gardner & Associates (RSG) submitted the draft CAP (Doc ID 7359) in response to the SWS's second technical review letter, dated May 4, 2009 (Doc ID 7051). Both a hard copy and electronic copy of a final CAP should now be submitted. Include all revised appendices, maps, plates, tables, etc. with the final CAP.

To date the SWS has not received a revised financial assurance mechanism that includes a cost for corrective action. The SWS received a letter from the Chief Financial Officer of Halifax County, dated January 29, 2009 showing financial assurance for the costs of closure and post-closure but not for corrective action. In lieu of that cost is the statement, "none required at this time". This statement should be replaced with the estimated cost of the CAP. Please also note that in Regulation 15A NCAC 13B .1628 (d)(1)(A) is the specification that the estimated cost be adjusted for inflation. A revised financial assurance mechanism including a cost estimate for the CAP should be sent to Ms. Shawn McKee in the SWS. She can be contacted at 919-508-8512 or at: shawn.mckee@ncdenr.gov.

If you have questions, please contact me at 919-508-8401 or at: zinith.barbee@ncdenr.gov.

Sincerely,

Zinith Barbee
