Subject: Approval for Multiple Athletic Uses
Closed Landfill Permit # 44-01-INDUS-1979
International Paper Company
Canton, North Carolina

Dear Mr. Gaither:

As you are aware, the North Carolina Department of Environment and Natural Resources Division of Waste Management (DWM) authorized the following post-closure uses at the above-referenced closed landfill:

- Baseball and Football (South) Fields
- Soccer (East) Fields
- Concession and Bathroom Facilities
- Field Lighting
- Cross-Country Track
- Batting Cages

This letter requests approval for multiple athletic uses (such as mountain biking, or other sports not specified in the list above) that do not negatively affect the integrity of the landfill cover.

Thank you for your time and consideration on this project. Please let me know if you require additional information prior to the approval of the multiple athletic uses.

Sincerely,

ALTAMONT ENVIRONMENTAL, INC.
