Allen Gaither:

I am writing this letter to request an extension of six months for the closure of our Construction & Demolition Landfill facility. A Closure Plan was prepared in accordance with Section .0510 of the Solid Waste Rules and submitted to NCDENR on June 27, 2008. The Haywood County Solid Waste Department seeks guidance from NCDENR on procedures for implementing the Closure Plan, including a notice to proceed with the submitted Plan. A schedule of Closure activities will be submitted to NCDENR upon receipt of a notice to proceed. Thank you for your time and consideration with the extension request.

Sincerely,

A handwritten signature in black ink, appearing to be "SK".

Solid Waste Director
