Messrs. Greg Richardson and Stacy Smith  
Richardson Smith Gardner and Associates  
Engineering and Geological Services  
14 North Boylan Avenue  
Raleigh, N.C. 27603

Dear Messrs. Richardson and Smith,

The following is in response to the Fire Suppression /Interim Closure Outline Dated April 25, 2007 you submitted for the Stump Dump LCID Landfill.

1. The site must be closed in accordance with the compliance order issued to Dump LCID Landfill dated April 13, 2007.
2. The Division will not consider revising or issuing a permit until the site is properly closed.
3. The facility cannot receive any waste. The facility may receive clean soil for the purpose of creating fire breaks and establishing proper closure geometry. The facility may also utilize beneficial fill materials presently on site for the purpose of creating fire breaks and establishing proper closure geometry. The facility shall not receive additional beneficial fill materials.
4. For the proposed tasks in the Fire Suppression /Interim Closure Outline that would be allowed per the compliance order, please submit an implementation and completion schedule.

If you have any questions, please contact me at 919-508-8513.

Sincerely,

Mark Poindexter  
Solid Waste Section
