Subject: Approval of Revised Closure Schedule for Lee County Construction and Demolition
Landfill (C&DLF) Facility, Lee County, North Carolina
Permit No. 53-01, Doc ID No. 6674

Dear Mr. Cherry:

The Solid Waste Section (Section) has reviewed the letter dated January 27, 2009, submitted by Richardson Smith Gardner & Associates, Inc (RSG) on behalf of Lee County. The letter updates the progress of site closure activities at the Lee County C&DLF and responds the Section's comments dated January 9, 2009. The Solid Waste Section has no further comment on this matter. Lee County is granted a one-time approval of the request for an extension of closure completion time to April 30, 2009 at the Lee County C&DLF. Lee County should maintain the portions of the completely constructed final soil cover including seeding and repairing any erosion damage that may occur.

Should you have any questions regarding this matter please contact me at (919) 508-8507 or by email at Ming.Chao@ncmail.net.

Sincerely,

Ming-Tai Chao, P.E.
