Subject: Authorization – Landfill Sub-surface Assessment
Collins and Aikman Industrial Landfill
McDowell County, Permit #56-03, Document ID No. 12108

Mr. Kresnak:

The Division of Waste Management, Solid Waste Section (Section) has completed a review of the submittal (DIN 12107) dated November 4, 2010 outlining a revised work plan for sub-surface assessment of the landfill. This submittal was sent via email and was received in the Asheville Regional Office on November 4, 2010.

Based on this review, the Section authorizes the proposed activities in accordance with the document referenced above. As a reminder, any significant deviations from the plan must be approved by the Section prior to implementation and require submission of documentation describing all proposed changes. The report, including any data produced during the assessment, should be forwarded to my attention in hardcopy and electronically in Portable Document Format (PDF).

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at allen.gaither@ncdenr.gov.

Sincerely,

Allen Gaither
Environmental Engineer
