RE: Corrective Action Plan
Macon County MSW Landfill
Permit No. 57-03
Macon County, North Carolina

Dear Mr. Lane:

I appreciate you taking the time on Monday, June 14, 2010 to talk with me and Mr. Jeff Bishop and Mr. Bill Sperry from McGill Associates relative to the submission requirements for the Corrective Action Plan submittal referenced in your letter of March 26, 2010. The County has been working with our consultants to finalize an agreement to prepare the referenced Plan and this conversation was beneficial toward understanding the necessary submittal requirements that need to be met. We should have the consulting agreement finalized shortly and with that in mind, and as discussed during our conversation, the County would like to request a time extension until August 27, 2010 for the submission of the Corrective Action Plan.

I appreciate your consideration of this request and look forward to a favorable response. Please let me know should you have additional questions or if you require additional information.

Sincerely,
MACON COUNTY, NORTH CAROLINA

M. Chris Stahl
Solid Waste Director
