Subject: **Closure Letter**  
Craven County, North Carolina  
Notification #N0634

Dear Mr Jones:

Based on a site inspection conducted by Solid Waste Section personnel on (date) this closure letter acknowledges that the referenced inactive facility must be closed in accordance with the conditions of Section .0510 and .0566 of the Solid Waste Management Rules. Section .0510 (d) also states that when a disposal site/facility has been closed any future disposal operations will require a new permit. Any activities not associated with the maintenance or monitoring of the closed site/facility may be viewed as operation of the facility, therefore violating North Carolina Solid Waste Management Rules.

The landfill must be closed in accordance with 15A NCAC 13B .0566 (5) as landfill operations have been discontinued. In order to complete closure, within 30 days of receipt of this letter, a certified copy of the attached closure letter must be submitted as required by the Post-Closure Maintenance Conditions.

### **POST-CLOSURE MAINTENANCE CONDITIONS**

Post-closure maintenance and monitoring for this facility shall consist of whatever measures, procedures, and activities are required to maintain this facility in compliance with the following closure conditions specified below. More specific closure conditions, in addition to Section .0510 and .0566, for this facility include:

- (1) Closure, in accordance with the "Operational Requirements for Landfills" Section .0566, unless otherwise specified in the permit for this facility is as follows:

- (a) Final cover of one foot shall be maintained for this facility [.0566(5)];
- (b) Permanent erosion control measures shall be maintained;
- (c) Drainage control measures shall be implemented, as part of site maintenance, necessary to prevent the impoundment of surface water over disposal areas or the infiltration of surface water into the waste at the facility;
- (d) Temporary seeding, covered with straw & tacking or similar material if necessary, to prevent erosion in the event of site maintenance involving earthmoving activities;
- (e) Vegetation consisting of native grasses or combination of grasses to promote a year round vegetative cover shall be maintained;

(2) Written notification and certification by the landowner that the facility complies with closure conditions stated in this letter and that the landowner will comply with the conditions of this closure letter.

(3) Information has been provided that a Land Clearing and Inert Debris Notification has been recorded with the Register of Deeds office in Craven County for the subject property. Recordation has been documented as follows:

Book: 2942 Page: 545 on the 15<sup>th</sup> day of September 2010 for a permit issued to R.J.'S BUSHHOGGING, INC

(4) The attached certified copy of the closure letter shall be recorded by the Register of Deeds and indexed in the grantor index under the name of the land owner for the property identified by deed located in BOOK: 2942 AND PAGE: 545 (copy enclosed). The certified copy affixed with the Register's seal and the date, book, and page number of the recording shall be returned to the Solid Waste Section at the following address:
