Subject: 5232 Hovis Road - Hawk Sanitation & Recycling

Dear Larry,

It has come to our attention that the property located at 5232 Hovis Road is requesting a transfer station permit. We were also informed that state law requires a traffic impact study be completed by the applicant or a statement must be produced from the NCDOT or the Charlotte Department of Transportation that the proposed use will not significantly impact traffic operations.

To the best of our knowledge, this site is presently in operation and is not adversely impacting traffic operations. Therefore we are not requiring or intend to require any kind of traffic impact study.

Should you need any further assistance, please feel free to contact me at 704-336-3938.

Sincerely,

Mike Davis, PE  
Development Services Manager  
Charlotte Department of Transportation
