Subject: New Electronic File for Avery County C&D Landfill Expansion  
Revised Site Hydrogeologic Report  
Permit 06-03  
Doc ID 10061

Dear Mr. Norris:

The Solid Waste Section (SWS) received a new electronic file for the Revised Site Hydrogeologic Report for the Avery County C&D Landfill Expansion. Richardson Smith Gardner & Associates (RSG) resubmitted the file to address discrepancies listed in the SWS letter, dated March 17, 2010 (Doc ID 9989). Added to the new electronic file are Figure 1, which follows the cover letter, and Table 7 located in Attachment 4. The new electronic file replaces the previous file and is identified in the SWS database as Doc ID 10060.

Thank you for the prompt response. Please contact me there if are any questions. I can be reached at 919-508-8401 or at [zinith.barbee@ncdenr.gov](mailto:zinith.barbee@ncdenr.gov).

Sincerely,

Zinith Barbee
