Mr. Earl N. Tipton, County Manager
Yancey County
Room 11, Courthouse
Burnsville, NC 28714

Subject: Yancey and Mitchell Counties
Solid Waste Transfer Facility
Permit #00-03-T

Permit No. 100-03T

Dear Mr. Tipton:

Enclosed please find a solid waste permit and the accompanying conditions for the subject facility.

Please review the conditions of permit carefully and contact me if you have questions about them. Note in particular Construction Condition No. 3 which establishes the pre-operational requirements for the site. Construction documentation required by Condition 3(b) should be submitted to this office to my attention. You may contact the waste management specialist for this facility, Al Hetzell, to perform the pre-operational site visit required by Condition 3(a).

If you have questions about this permit, please contact me at (910) 771-4600.

Sincerely,

Janis D. McHargue, P.E.
Western Area Engineer

PERMIT NUMBER 00-03-T
JANUARY 31, 1995

SOLID WASTE PERMIT

Yancey and Mitchell Counties

are hereby issued a permit to construct and operate a

TRANSFER FACILITY

located at the Yancey-Mitchell Landfill off U.S. 19E in Yancey County, North Carolina in accordance with Article 9, Chapter 130A of the General Statutes of North Carolina and all rules promulgated thereunder and subject to the conditions set forth in this permit. The facility is located and described by the legal description found in the approved application.

James C. Coffey, Supervisor
Permitting Branch
Solid Waste Section

SOLID WASTE PERMIT

Yancey and Mitchell Counties
Solid Waste Transfer Facility

CONDITIONS OF PERMIT #00-03-T
ISSUED 31 JANUARY 1995

GENERAL

1. This facility is permitted to receive solid waste as defined in 15A NCAC 13B .0101(36), except that hazardous and liquid wastes are prohibited from acceptance at this facility.
2. This permit shall be reviewed every five (5) years. Modifications shall be in accordance with the Rules in effect at the time of review.

CONSTRUCTION

1. This permit is for construction of the transfer facility in accordance with the approved plans. Major revisions or additions to these plans shall be approved by the NC Solid Waste Section (the Section).
2. All sedimentation and erosion control activities shall be conducted in accordance with the Sedimentation and Pollution Control Act, 15A NCAC 4 and all applicable permits secured prior to construction.
3. The following requirements shall be met before operations may begin:
 - a) Site inspection shall be made by a representative of the Section.
 - b) Information shall be submitted to the Section which documents that construction has occurred in accordance with the approved plan.
 - c) The permit number and the words, "No hazardous or liquid wastes accepted" shall be posted on a sign at the entrance.

OPERATIONAL

1. Operation of the facility shall occur in accordance with 15A NCAC 13B .0402, "Operational Requirements for Transfer Facilities", and these additional requirements:

- a) This facility shall receive and transfer solid waste as described in the approved Operations Plan. The waste that is to be transferred (for disposal at the Palmetto Landfill in Spartanburg, SC) shall have been generated within the boundaries of Yancey and Mitchell Counties.
- b) This facility shall be operated in a manner which is consistent with the State solid waste management plan and with the solid waste management plans that have been adopted by those units of local government served by the facility and approved by the Section.
- c) This facility shall be operated in accordance with the approved Operations Plan.
- d) On or before 1 August 1993 and each year thereafter, the owner or operator shall report to the NC Solid Waste Section, for the previous year beginning 1 July and ending 30 June, the amount by weight of the solid waste that was received at the facility and disposed of in a landfill, incinerated, or converted to fuel. To the maximum extent practicable, such reports shall indicate by weight the county of origin of all solid waste. The owner or operator shall transmit a copy of the report to the county in which the facility is located and to each county from which waste originated.
