Re: Permit to Operate Cell 2F
Charlotte Motor Speedway Landfill
Cabarrus County, North Carolina
Permit No. 13-04
Doc ID No. RCO2846

Dear Mr. Gurley:

Attached is the Permit to Operate Cell 2F for the facility referenced above. As provided in N.C. Solid Waste Management Rule .1620(c), the permit is valid for an operational period of 5 years until July 12, 2012.

Please note that this permit only authorizes the operation Cell 2F for MSW disposal area consisting of 14 acres. Approximately 3 acres of Cell 2G constructed at the same time as Cell 2F is not approved for disposal operation at this time, but is approved for use as stormwater berm. Construction certification of those 3 acres associated with Cell 2G will need to be included in the application for the Permit to Operate that cell.

Thank you for your cooperation. Should you have any questions or wish to discuss the regarding the enclosed permit, please contact me at (919) 508-8498, or Teresa Bradford, Waste Management Specialist for the facility, in the Mooresville Regional Office at (704) 235 (2160).

Sincerely,

Geoffrey H. Little
Environmental Engineer
Solid Waste Section
