Charlotte, North Carolina 28201-1006

Subject: Permit to Construct (PTC) – Application  
Duke Energy – Marshall Steam Station  
Industrial Landfill #1  
Permit No. 18-12  
Catawba County, DIN 8992

Dear Mr. Tinsley:

On December 4, 2009 the Division of Waste Management, Solid Waste Section (Section) received your Application for a Permit to Construct at Duke Energy's Marshall Steam Station in Catawba County, entitled;

*Permit to Construct Application – Industrial Landfill No. 1, Electronic Version, Duke Energy – Marshall Steam Station, Terrell, North Carolina.* Prepared for Duke Energy. Prepared by S&ME. S&ME Project No. 1356-08-122. November 25, 2009. DIN 8968.

One copy of the PTC Application was forwarded to Mr. Steve McEvoy, with the Division of Land Resources, Dam Safety Program.

I will be responsible for the review of this application and eventual preparation of the PTC for the Section. My goal is to have a technical review of this application completed in the next 30 to 60 days; it is my hope that Dam Safety will complete their review in a similar time period. Should you have any questions regarding this matter you may contact me at (828) 296-4704 or at [Larry.Frost@ncdenr.gov](mailto:Larry.Frost@ncdenr.gov).

Sincerely,

Larry Frost  
Regional Engineer
